

Let It Be Known

Having embraced the principles of the *Certified SC Grown-Nothing's Fresher. Nothing's Finer.* cooperative program designed to promote and brand agricultural produce and products grown and made in our state,

Sodexo- Presbyterian College

is an official participant in the Certified SC Grown Fresh on the Menu program having pledged to support South Carolina's local agricultural communities by offering a menu that includes at least

twenty-five percent Certified SC Grown

produce and products as available when in season.

On behalf of South Carolina's farmers and agricultural communities, Congratulations.

Hugh E. Weathers, Commissioner
South Carolina Department of Agriculture
